

MERRY CHRISTMAS

Porter Head Dimes March in Albany

The 1961 March of Dimes drive, a one month health fund drive, will begin on January 3 in Alameda County. Albany engineer will be one of 16 civic leaders directing their own communities under county volunteer chairman, Judge James S. Blaine.

Blaine announced today that Milton Porter of 506 San Francisco Avenue, had accepted the position of chairman for the March of Dimes drive for the county.

Porter, a post paralytic polio sufferer, said: "It is a pleasure to me in 1946." He added that year he, his daughter, now 21, and son John, had all suffered paralytic attacks. Porter was left permanently crippled, and unable to walk without leg braces and crutches. He is active in the Boy Scouts movement, and on the board of the Metropolitan area chair-

maned by Clarence A. Chiswick, Oakland insurance firm. Thomas L. McLaren and Robert Stewart, Berkeley co-owners, and both former polio sufferers, were left com-

pletely paralyzed, and teaches education and psychology both in Berkeley and at San Francisco State College with the aid of an artificial arm and other mechanical devices. He is active in the Boy Scouts movement, and on the board of the Metropolitan area chair-

50 New Buildings To be Added to Group in Village

Construction of 50 new apartment units for married students on the Berkeley campus of the University of California will get under way here within a month.

In announcing the project, Chancellor Glenn T. Seaborg hailed it as "a big step forward in alleviating the critical housing shortage for married students."

A \$3,871,000 contract has been signed by the University's Board of Regents with John E. Branagh & Sons of Piedmont to build 50 wood-frame buildings, 15 of them containing three-story, one-bedroom units, and 35 containing two-story, two-bedroom facilities. Completion is expected sometime in February of 1962.

All of the buildings will be grouped in clusters of three, each with a central, fenced-in courtyard area.

The apartments will be built on the site of the present married students housing area, known as the Gill Tract, located north of Cordones Creek, west of Eighth Street, and South of Riley Drive, in Albany.

Paved off-street parking lots will be provided for the automobiles of married students.

Home Decoration Winners Listed In Prize Contest

The task of selecting winners in the Albany Times - Ellis-Olson Mortuary Christmas Home Decoration Contest was a very difficult one, so stated the judges: Frank Graeber, Mrs. Maude Wilson and Mrs. Hazel Henningson. Every one of the twenty-one entries had outstanding features. The point system was used in determining the winners under the following categories: No. 1, General Appearance of workmanship and eye-appeal; No. 2, Originality of individual creative design and conformity to Christmas theme; No. 3, Beauty: lighting, arrangement and balance, glamor, color and design. After traveling the "Christmas Trail" several times and after several hours discussion, the following winners were selected:

THE YULE SWEEPSTAKE WINNER: \$50.00 in Cash, the home of Kay and Andrew Hartwig, 907 Cleveland Avenue.

The entire home and garden lighted with a church spire with a lighted cross, trees lighted in the windows and in the foreground a high rocket, some 20 feet high, with Santa Claus waving from an aperture in the side of the rocket.

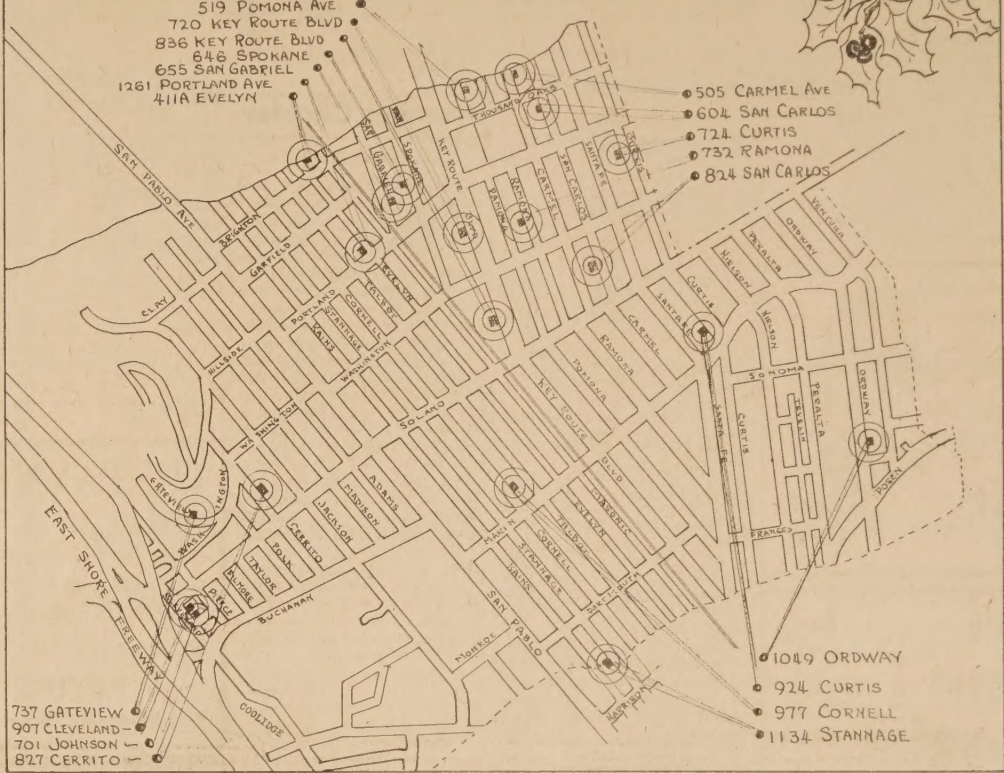

THE CHRISTMAS CUP WINNER: \$25.00 in cash, the home of Mr. and Mrs. Elmer Jacobson, 924 Curtis Street.

The focal point is the big window where the family of life size mannequins are gathered around a beautiful pink Christmas tree that is revolving. The base of the tree is loaded with all manner of toys, the front door is attractive with a big reindeer fastened to the center of it, colored lights twinkle in the shrubbery.

THE REINDEER HANDICAP AWARD: Toastmaster Electric Skillet, was presented to Mr. and Mrs. Robert Walkup, 827 Cerrito Street.

They have Santa Claus on the roof, falling down the chimney head-first, with two quizzical-looking reindeer watching. A family of carol singers is on the lawn, two lighted candles stand on each side of the decorated door, and the pathway is outlined with lighted candy canes, all with

a background of snowy trees.
THE ELLIS-OLSON TROPHY: A universal coffee-matic, went to the Earle Watkins home, 836 Key Route Blvd.

A huge Christmas card decorated the garage door, with greetings from the Watkins. Santa is there near the chimney; carol singers and an over-all lighting effect that is very pleasing and outstanding.

The home of Vera L. Linnet, 824 San Carlos, won the **ALBANY TIMES TROPHY**, an English Sheffield stainless steel carving set, with six steak knives.

The entire picture window, facing the street, has been transformed into a Country Store at Christmas. All the other windows of the home are painted to carry out the theme. Outside strings of red lights outline the windows which are also lighted from within.

THE KRIS KRINGLE AWARD, 16 piece set of Persian blue glasses, went to the home of Ray and Peggy Aguayo, 720 Key Route Blvd.

Santa's reindeer are in the garden with Santa himself in a hand embroidered sleigh on the front stair. A big Christmas card with greetings adorn the garage door, with a lighted Santa above. Lights are everywhere and canes outline the walkway.

The judges selected six other (Continued on Page 4)

State Officers To Cooperate on Drinking Drivers

The combined efforts of the California Highway Patrol and State Department of Alcoholic Beverage Control will be matched against the problem of drinking drivers in the coming holiday season. Patrol Commissioner Bradford M. Crittenden revealed this week.

ABC Director Malcolm E. Harris and Crittenden agreed to a joint program for the fifth consecutive year. "Our cooperative efforts have achieved favorable results in the past, and we expect even greater success this year," the commissioner said.

Investigators of the ABC again "will work closely with the patrol in an aggressive campaign to enforce against the excessive drinking problem, both on and off the roadways," Harris added.

Absentee Ballots Available Dec. 28

Residents who expect to be out of town or who will be unable to go to their voting precinct by reason of physical disability on the day of the election can obtain absentee voter ballots from Myrtle J. McLean, City Clerk, beginning December 28, 1960. Closing date to obtain ballots is January 12, 1961.

U.S. Naval Officer To Tell Rotary About Sea Power

Members of the Albany Rotary Club and their guests will hear Commander Bernard F. Seligman, USNR, tell them about "Sea Power" at the Rotary luncheon at Spenger's Restaurant next Tuesday. Chairman of the day will be Henry Albrecht, manager of the Northbrae Branch of the Wells Fargo-American Trust Bank and a member of the Albany Rotary Club.

Seventy years ago Rear Admiral Alfred Thayer Mahan wrote a book entitled "The Influence of Sea Power Upon History." It was welcomed throughout the world as an authoritative work upon sea power and its effect upon world politics up to that time. Comdr. Seligman is in a position to tell the Rotarians something of the developments that have been made since the turn of the century in fighting ships on the sea, under the sea, and in the air.

The speaker was educated at the University of California, Columbia University, and Golden Gate College. He saw service on various craft during World War II, as well as active service during the Korean War. His service in the Naval Reserve includes five years with headquarters at Treasure Island. He also has seen extensive service in the merchant marine, both afloat and ashore. His civil associations include, president of the San Rafael Lions Club; Director of the Greater San Rafael C. of C., and chairman of the Marin Visitors Bureau.

Albany Principal Charles A. Moore Retires In June

Principal Charles A. Moore of Albany High School since its beginning in 1934, handed in his resignation to the Albany School Board at its regular meeting Tuesday evening, December 6, to take effect with the close of the school term in June. The resignation was accepted with "deep regret."

Moore helped to form the staff of the high school before the buildings were completed, and has been its head for the intervening 26 years. He has had a teaching career of 40 years, 30 of which have been with the Albany city schools. Previously he had served as principal of the old Herbert Hoover Junior High School.

A native of Madera, Moore received a bachelor's degree from the University of California in 1920 and, after graduate work, moved to Sumas, Washington, to assume the post of superintendent of schools. From 1926 to 1928 he taught high school mathematics at Orland, and for the next three years before coming to Albany was superintendent of a school district near Alturas.

Organized by Moore in 1934 the Albany High School graduated its first class in 1937, the year the buildings were completed. Starting out with an enrollment of 275 pupils, the school has grown to a total of more than 1000.

Moore is the 17th past president of the Albany Rotary Club (Continued on Page 4)

ACTION ON TRAFFIC HAZARD ORDERED

Immediate action to abate a traffic hazard at the Francis and Curtis intersection was ordered Monday night by the Albany City Council. The situation was brought to the attention of the council in a letter from L. C. Trautman, 1111 Curtis Street, which brought out the fact that there had been at least three accidents at this intersection within the last month; fortunately there had been no serious results.

After some discussion it was voted to refer the matter to the Traffic and Safety Commission, with the request that the commission make an immediate survey of the matter and lead a special meeting to prepare a full report to the council for its consideration at its regular meeting on Tuesday, January 3. Pending that report the city traffic engineer, Acting City Engineer James B. Turner — was instructed to take immediate action on the commission's report without waiting for further action by the council.

The first motion was moved by Councilman Howell, seconded by Councilman Hein. The second was moved by Howell and seconded by Councilman Carlevaro.

There was some discussion regarding a proposed meeting of council members with State Senator Holmquist regarding legislation to further the proposed plan for development of the 10-acre site. Councilman Carlevaro spoke in favor of pressing a legislative action on this matter at the coming session of the legislature. City Attorney Foley told the council he believed the city should have definite plans and figures to support its requests, otherwise he said the legislature might pass a measure that would place a time limit on the development too short to permit its completion, with a possibility that failure to complete the development might mean that the property would revert to the state.

Shortly before adjournment Mrs. Zahn offered a "suggestion" that in view of the Senior Citizens now being taken care of through their own and the city's action in providing them a headquarters at 850 Masonic Avenue, soon to be constructed, she thought it would be a nice thing if the city were to contribute money out of its \$24,000 capital outlay fund toward a building to house the Albany Preschool, at the same location. She said she thought the city might take perhaps \$10,000 out of the city's special fund, and that additional sums to provide enough for the project could be raised among the citizens.

Councilman Carlevaro declared that he favored the Preschool and thought it was doing a wonderful job, but that he objected to taking money for such a purpose out of the capital outlay fund which is dedicated to the purchase of property for the city and the erection of necessary city buildings.

Councilman Howell also praised the Preschool, then declared, "the Preschool had better get busy now because they won't have a chance after January 11," (obviously referring to the coming recall election). "I think the citizens can see through that one."

The request of E. L. Nelson, Superintendent of Parks and Playgrounds, for approval of his attending the 13th annual California and Pacific Southwest Recreation Conference in Los Angeles, February 26 - March 1, was held over at the request of Councilman Boych, who was not in attendance.

Owing to the holidays a motion to cancel the regular council meeting for December 26, was passed unanimously. The next meeting will be held January 5.

Here for the Holidays...

Unveiling the New Look in Public Transit

Ride your AC Transit. The more you ride the better it will be!

ALAMEDA CONTRA COSTA TRANSIT DISTRICT • 1106 BROADWAY, OAKLAND 7, CALIFORNIA • OL 3-3535

As 1960 draws to a close, so does the old concept of public transit in this area. For today transit comes of age. "The First Forty" new luxury liners, first of a vast new fleet of 250 modern transit vehicles are arriving! The New Look is here... heralding what soon will be the world's most modern metropolitan transit system.

The "First Forty" transit liners will be placed in transbay service... see these luxury features: Streamlined design. Picture windows. Air-conditioning. High-back seats with individual arm rests, all facing forward. "Stretch-out" leg room. Specially designed color scheme. Fluorescent lighting. Low entrance step. Smooth air-ride.

Plan your ride and save time! Ask your Driver for a Timetable.

Call or write for the gaily-illustrated "Guide for Going Places on AC Transit."

FIVE DROPS CAN SAVE A LIFE!

Oakland's Jeanette Voss runs a bird hospital. In one respect birds are much like people. The water they drink must be unquestionably pure.

Your EBMUD water qualifies. It's constantly being watched, tested, filtered. In fact, EBMUD is the only 100% filtered metropolitan water system west of the Mississippi.

The result? Pure, safe water that far exceeds standards set by U.S. Department of Health. Water that people (and birds) like to drink.

Yuletide Greetings
from Bev and Lynn!

Move In For
Christmas!!

It's vacant, so move now! Into
this adorable "Cape Cod Style"
home in El Cerrito! It has 6
charming rooms, with 3 huge
beds, beautiful kitchen with
coddles of brick work, built-in
range and oven, and a very
elaborate garden with a covered
lanai! All this for \$22,500! Hur-
ry and call Lynn Davis, LA 6-
3955.

Live High! In The Sky!

And enjoy the majestic view
from this mammoth North
Berkeley home! Located in Ox-
ford and Garfield School dis-
trict! It has 8 rms., 3 bed., 1½
baths, den, dark room, store
room and full basement! AND!
— 2 rental units, a 4 rm. apart-
ment and a 2 bed. garden cot-
tage with an income of \$1,860
per year. All for \$26,950! Make
an appt. with Bev Dawson, LA
5-5774.

**Do The Trick!
Be St. Nick!!**

Buy Mom this 1 year old beauty
in exclusive "Upper Mira Vis-
ta"! Elegance in all 8 spacious
rooms! A "dreamy, dreamy"
kitchen with "everything" built
in, including a dishwasher, gar-
bage disposal, breakfast bar ad-
joining a large family room! It
also has 3 huge beds, 2 baths,
rumpus room, lovely view and
level entrance! Do see it now!
Lynn Davis, LA 6-3955.

**Honey! Make Me
Some Money!**

Buy me this, alluring apartment
house up by the Claremont
Hotel! We can make a tremendous
living from the 9 units! They
all have wall to wall carpeting,
stoves, refrigerators, and sepa-
rate patios. Then 3 of them have
fireplaces, views, and 2 bed-
rooms! "Daddy" buy "Mommy"
this! For an "extra" Christmas
gift! For details call Bev Daw-
son LA 5-5774.

**Right! For
Christmas Lights!**

Put your tree up now and the
home later on this "rarity"
view lot in Albany! It has all
the room you need for your
"dream castle". There is just a
slight slope to the 75 x 120' lot!
We can work terms on subor-
dination, too! Bev Dawson, LA
5-5774.

"Joy To The World!!"

And joy to the owner of this
exclusive "4 Plex"! Luxury
living in each unit which is like
an individual home! Walk thru
a wrought iron gate into a very
large, enchanting living room,
and have your chores be easier
in the cheerful, tile kitchen
with its dishwasher and gar-
bage disposal. All units have
luxurious Hollywood baths!

LETTERS TO THE EDITOR

Editor, Albany Times:

It makes me sad to have Jerry Blank resign from the City Council for I know how well he has served us. I am also sad when I realize that once again the citizens of Albany have failed to recognize the difference between responsible and irresponsible government.

To divide and conquer has been the device used throughout the ages by those who aspire to political power. The issue facing the voters is not Zahn vs. Blank. The recall committee has very clearly stated the reasons why they feel that Mrs. Zahn should be removed from office. However, even some of the members of the recall committee were afraid to defend Jerry Blank even though they knew the attacks were untrue. Mrs. Zahn has created an effective smoke-screen to divert attention away from consideration of her own incompetence in office.

which is the real issue. Now that Jerry Blank has resigned it will be a longer and a more expensive and difficult task to return responsible government to the city. But, is the citizens and not only the public officials who must share the blame and must pay for their failure to examine the facts.

The Albany Times gave an excellent summary of Jerry Blank's accomplishments in his nearly 11 years of service. These accomplishments represent responsible government at its best in which services are expanded and costs are kept at a minimum. In contrast, Mrs. Zahn's years of service can more accurately be represented by the things we do not have. Almost all of Mrs. Zahn's public career has been negative. Back issues of the Albany Times record many issues involving civic improvements which Mrs. Zahn opposed at considerable expense to the city through referendums and other headline provoking maneuvers.

Now that Mrs. Zahn has more political power the citizens are aroused at what she is doing with it. From my own observation it appears that Mrs. Zahn's political

throughout her years in Albany. Is it too surprising that Mrs. Zahn fails to understand why her activities which met with approval from the voters all these years now appear to be unacceptable? Perhaps out of this experience Albany citizens and those around the area who have been "enter-

ing about the wonderful "Jim Brown Day" held December 3rd. Too often people take for granted the community in which they live. It is gratifying to realize we have so many friends in this wonderful city of Albany and in the surrounding communities who put forth so much time and

The Christmas story to be read in the Lesson-Sermon entitled "Christian Science" will include the following: "Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him" (Matthew 2:1, 2).
 From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (9523): "Led by a solitary star amid the darkness, the Magi of old foretold the Messiahship of Truth. Is the wise man
